Sponsorship Opportunities with the Men of Music

Meet the Men of Music

Who are we?

The Men of Music (MOM) is best described as a group of men who simply love to sing! Our group began in 1936 as the *Dow Male Chorus* of the music department of The Dow Chemical Company, and it is one of the original member groups of the Music Society in Midland, Michigan. Our membership numbers around 60 men, with ages ranging from 20 to 90! We sing a wide variety of music: popular, secular, sacred, and barbershop. Guests and new members are always welcome at our rehearsals.

What do we Do?

Each season, MoM puts on two large productions: two performances of their Christmas Concert in Midland and a third out of town; and three performances of their Spring Show, which offers a mix of singing and dialogue based on a farcical theme. Each of these events typically attracts audiences of 1,000 or more. We also use our talents to give back to the community; our Christmas concerts have helped us raise over \$85,000 for local charities. Between the “big” events, MoM performs at local nursing homes and retirement villages. In addition, the MoM are available to sing for organizations and other groups. Please contact the Business Manager for details.

Who is our audience?

If you enjoy a finely blended harmony and timeless music, mixed with a smile that won't leave your face for hours, you'll love the Men of Music. Our shows are enjoyed by people all ages.
